All Your CE In One Place

The TTRNA Education Portal now provides members with a convenient way to meet all their online CE needs from a single platform.

The Education Tracker feature automatically records and monitors your learning progress. You can even add external education to ensure all your CE activities are in one place.

TTRNA Partnership With The WCEA

The Trinidad and Tobago Registered Nurses Association (TTRNA) has partnered with the World Continuing Education Alliance (WCEA), a global provider of specialist Continuing Education platforms.

Together we are providing online continuing education opportunities to nurses. The education portal ensures that an up-to-date and accessible resource of continuing education is available to nursing professionals.
